Saradnja sa Megikom je odlicna. Odnela sam stari desktop racunar na kom nije mogao sistem da se podigne i u najkracem roku je bilo reseno. Za vrlo krtako vreme i po veoma povoljnoj ceni je racunar popravljen. Pritom veliki dzentlmeni koji mi nisu mi dozvolili da ponesem racunar do kola sama. :) Sve preporuke za Servis racunara Megik
